comparative constitutionalism emerged in its current form against the backdrop of the fall of the berlin wall and the end of the cold war as that backdrop recedes into the past it is being replaced by a more multi polar and confusing world and the current state of the discipline of comparative constitutionalism reflects this fragmentation and uncertainty this has opened up space for new more varied and increasingly critical voices seeking to improve the project of democratic constitutionalism but it also raises questions what of the past if anything is worth preserving which more recent parts should be defining of the field in this context this book asks which are or should be the canonical texts of comparative constitutionalism the theoretical scope of the contributions is broad and ambitious selecting primary material from beyond the existing textbooks to engage the concept of a canon this framework provides significant insights about inclusion and exclusion and proposes candidates for canonical and anti canonical materials the result is a wide ranging discussion among many voices of how particular judgments and other primary texts have shaped or should shape our understanding of central elements of democratic constitutionalism from a comparative law perspective this book is not a prescription of one universal understanding but a broader conversation about the field and the future of constitutional democracy

after the fall of the porfirio díaz regime pueblo representatives sent hundreds of petitions to pres francisco i madero demanding that the executive branch of government assume the judiciary s control over their unresolved lawsuits against landowners local bosses and other villages the madero administration tried to use existing laws to settle land conflicts but always stopped short of invading judicial authority in contrast the two main agrarian reform programs undertaken in revolutionary mexico those implemented by emiliano zapata and venustiano carranza subordinated the judiciary to the executive branch and thereby reshaped the postrevolutionary state with the support of villagers who actively sided with one branch of government over another in matters of justice helga baitenmann offers the first detailed account of the zapatista and carrancista agrarian reform programs as they were implemented in practice at the local level and then reconfigured in response to unanticipated inter and intravillage conflicts ultimately the zapatista land reform which sought to redistribute land throughout the country remained an unfulfilled utopia in contrast carrancista laws intended to resolve quickly an urgent problem in a time

of war had lasting effects on the legal rights of millions of land beneficiaries and accidentally became the pillar of a program that redistributed about half the national territory
