pessimist hedonist skeptic fatalist scholars have used these and a variety of other pejoratives to describe qoheleth the author of the book of ecclesiastes but are these monikers fair assessments of this formative book of the hebrew wisdom tradition brian neil peterson challenges this dominant scholarly perspective by arguing that qoheleth s message is more optimistic than it appears he insists that qoheleth a realist who recognizes that the world is broken due to the fall in genesis 3 is instructing his readers to live life to the fullest in the fear of god despite the presence of injustice oppression and futility experienced on a daily basis due to the fleeting nature of life qoheleth offers hope to his readers and urges them to put god first and enjoy god s good gifts not as a destination in life but rather as part of one s earthly journey

longtime fly fisherman quinn grover had contemplated the why of his fishing identity before more recently becoming focused on the how of it he realized he was a dedicated fly fisherman in large part because public lands and public waterways in the west made it possible in wilderness of hope grover recounts his fly fishing experiences with a strong evocation of place connecting those experiences to the ongoing national debate over public lands because so much of america s public lands are in the intermountain west this is where arguments about the use and limits of those lands rage the loudest and those loudest in the debate often become caricatures rural ranchers who hate the government west coast elites who don t know the west outside vail colorado and energy and mining companies who extract from once protected areas these caricatures obscure the complexity of those who use public lands and what those lands mean to a wider population although for grover fishing is often an escape back to wildness it is also a way to find a home in nature and recalibrate his interactions with other parts of his life as a father son husband and citizen grover sees fly fishing on public waterways as a vehicle for interacting with nature that allows humans to inhabit nature rather than destroy or preserve it by keeping it entirely separate from human contact these essays reflect on personal fishing experiences with a strong evocation of place and an attempt to understand humans relationship with water and public land in the american west purchase the audio edition

the book of zechariah may be one of the least read books in the bible for the past twenty years i have taught the bible to pastors in asian countries where life is difficult for them my pattern was to begin each day with a devotional that would apply specific bible lessons to their lives when i started giving devotional thoughts from zechariah i learned that the asian pastors had a keen interest in that prophet they would often ask questions or share their thoughts about zechariah long after our devotional had ended i believe that a daily time with the lord is essential for believers who desire to serve him in this knotty world according to proverbs life is a series of choices between which roads we will travel we decide daily to either take the path of the righteous or the way of the wicked we choose regularly to either walk on the path of the wise person or stroll along the way of the fool

the door of hope is a brief exploration that god s hope can offer blessings to the believer and counsels the unbeliever that hope from god can richly transform their lives the author uses stories from the bible on how simple ordinary people relied on god s promise of hope to accomplish extraordinary feats of courage readers of this book can apply these teachings today in their lives in the midst of this sin filled world the author uses anecdotes from his personal experiences as a testimony to what god s hope has done for him a door is an access to something

on the other side god offers access to opportunities of blessings for those who seek him through his door of hope jesus christ it doesn't matter what has happened in the past god's hope can make your past a thing in the past by giving you a future and a hope

in this writing a living hope the author presents a term insidious persecution this term is meant to bring pause to the reader regarding the society in which we presently find ourselves and how it can and so often does steer us from the path that god has provided for our most beneficial existence in this life on earth his purpose is to wake the reader to the knowledge of satan's intervention in our lives to draw us away from the life that is offered in christ by many miniscule moves away from the true path this information is presented with both secular and scriptural references in descriptive manners the author also provides references that show the reader how much the lord through his son jesus is open to our return to his love mercy and grace into his care and his fold the true living hope who is christ jesus

hope amid hopelessness is a true story about the loving merciful caring all powerful ever present gracious just sovereign personal abba father god working in the lives of jim and laura hansen as jim cared for laura while she struggled with major clinical depression that later led to borderline personality disorder he realized quickly that he could not fight this battle alone turning to his abba father he sought understanding knowledge and wisdom from the only source that could truly help as jim struggled with his faith god was always there for him he showed jim through the bible the path through mental illness although jim's abba father showed him the path he struggled following the path you will see how god patiently reminded him time and again of the things that he had already learned the roller coaster ride of jim and laura's life was full of surprises and twists and turns for them but jim realized through this experiences that his abba father was never surprised or changed by the quick turns the story goes through five suicide attempts and multiple attempts to treat laura for her different symptoms jim struggled with believing god's word during the last sixteen plus years of questions and tragedy jim learned to trust god as he carefully and lovingly led jim through the ups and downs of his life although many questions were answered by jim's abba father several still remain unanswered however jim knows that there is an answer to all of them because his abba father has convinced him that the answers are in his abba father jim's desire is to give glory to god and help those who are in a similar situation he hopes to do that by showing others how his abba father aided him
